

PEMBINA SPECIAL EDUCATION COOPERATIVE

NOTICE OF FREE EARLY CHILDHOOD SCREENING FOR CHILDREN AGES 3-5

Parents/Guardians, the Pembina Special Education Cooperative is coordinating the fall early childhood screening for the school districts of Drayton, Valley-Edinburg, North Border and St. Thomas. Parents or guardians who have **concerns about their 3-5 year-old child's abilities or skills** may request this screening, which may help determine if a child's skill levels are adequate or if further assessment is warranted. A child can be screened in the following areas:

- Speech/language skills
- School readiness
- Motor skills
- Social/play skills
- Behavior activity level
- Hearing

Parents or guardians may call the Pembina Special Education Cooperative at 265-8080 to request a screening appointment before March 6th, 2020.
